#demo zone

The art of staging construction equipment performances!

In 2024, the INTERMAT Paris Demo Zone will be the definitive point of convergence for the most innovative and effective equipment in the construction sector.

On a shared area, manufacturers will present their machinery and equipment in real-life conditions of use.

New in 2024

#low carbon

For the first time, visitors will have an opportunity to discover innovative equipment and new generations with hybrid or electric engines!

A ready-to-exhibit pack with a fixed price at €12,500^{excl. VAT}

A comprehensive package, available to all¹:

- A 150 sqm stand with an 18 sqm gazebo², a 3 kW electricity junction box, 1 table and 3 chairs.
- Access to the central work site for specific timeslots.
- Insurance.
- Online exhibitor area.
- Exhibitor badges.
- Access to VIP lounge.
- Registration in: multi-format catalogue (printed, website, mobile site and app), on all lists and plans at the show.
- Media kit (INTERMAT banners to customise with your company name and stand number).
- Media activation (Press lounge pigeonhole, access to press lounge, promotion of your innovations).
- Online publication of your press release or press kit in the exhibition website's exhibitor list.
- Printed invitations: 100 copies.
- E-invitations: a quota of 500.

(1) Plots may be booked subject to presence of working machinery, does not replace a static stand.

(2) Gazebo made up of 3 sides with printed signs, a ballasted raised floor, 5 solid walls, 1 white curtain panel with lace / eyelet closure.

#demo zone

A new zone for demonstrations and meetings

To prolong discussions in a convivial setting, a catering zone is located immediately nearby, featuring a varied food truck offering.
